This 1993 Redman Manufactured Home has 1,900 Sq Ft of living space and this is a great way to get large home on your property. This home is a handyman special but has great bones and lots of potential. It has dual pane windows, an electric forced air furnace and you will have a dining room and a bright eat in kitchen. You'll also have a large master suite with a large walk through closet and large bathroom. The other two bedrooms and bathroom are on the opposite side of the home for extra privacy. Please give River Valley Homes a call with your questions and to set a time to view this home.
