This is a beautiful Golden West manufactured home that is one of the cleanest homes I've seen and is just like new, with a huge yard in the front of the home maintained by park management. You will have a large covered deck that's perfect for relaxing in a quiet park setting and plenty of room for entertaining family. This home has an open floor plan with a great view and is set in the beautiful Applegate Mobile Park that has the feel of resort living for only \$430/month lot rent. Everything in this home is still like new including all the flooring, refrigerator, range, dishwasher and washer/dryer in a separate laundry room. You will have a split floor plan with a nice large master suite at one end of the home and two other bedrooms with a full bath at the other end. Also includes a carport and parking for two vehicles and has two storage buildings. This community is located in Applegate wine country only 15 miles from shopping in Jacksonville and 18 miles from medical care and shopping in Grants Pass.
