This 2 bedroom 2 bath home has a formal dining area with built in china hutch and a family room. All of the appliances including washer and dryer will stay with the home. Spacious master bedroom has mirrored closet doors and private master bath with a huge garden style bathtub. Off the guest bedroom is an added retreat with a sliding glass door that goes out to a private deck. This home is set on a very large corner lot with mature trees, offers a large covered patio, three storage sheds, parking for two vehicles and fruit bearing peach, plum and cherry trees. Recent upgrades include subfloor insulation and vapor barrier, a new heat pump with new duct work throughout and wood blinds throughout. Lots of extra storage cabinets and closets but still has an open and light floor plan.
