This community is located close to everything, shopping, bus lines, restaurants, entertainment, freeway access and much more. This home is in excellent condition with two very roomy bedrooms, a very nice kitchen with tons of storage space, extra closets for linens and there is brand new fluffy carpet throughout the home. The additional family room could be converted to an extra bedroom. Did we mention there are two fireplaces? One is decorative and one is heat generating. Plus there is central A/C, and ALL the appliances stay with the home. Outside offers enough yard for all you green-thumbers, two sheds (one that could be a shop) and parking for 3 vehicles under a carport. This home has a lot to offer so may not last long. Call for an appointment to view soon to River Valley Homes.
