This brand new home still has that "new home smell". Has never been lived in but ready for someone to move in and add their creative decorative touches. This bigger than a tiny house offers two bedrooms, one bath with a separate utility room. It comes with a self-cleaning range, a dishwasher and refrigerator. There is a huge kitchen island with electricity and extra storage. Hardwood floors are in most of the home, carpeting in both bedrooms. Outside has a carport large enough for two vehicle parking. The home is conveniently located within steps of the clubhouse, the seasonal swimming pool and the centrally located secure mailboxes.
