Like-New Palm Harbor with Garage
$169,900

A home for comfortable living, hobbies, and relaxing outdoors
This beautifully maintained 2013 Palm Harbor presents in like-new condition and offers a combination of features worth seeing. The permitted attached garage provides plenty of room to park your car and create a workshop, complemented by a spacious concrete driveway and a separate storage shed.
The patio and breezeway extend your living space outdoors. A mounted 65-inch television is positioned to be enjoyed from the patio, creating an inviting setting for a cold drink, football with friends, or a relaxed movie night. Attractive landscaping and gravel garden beds complete the outdoor setting.
Inside, the home offers three bedrooms and two bathrooms, along with central air conditioning. The refrigerator, range, dishwasher, washer, and dryer are included.
San George Estates offers community amenities including a swimming pool, clubhouse, fitness center, library, billiard room, playground, and planned social activities. Pets are welcome subject to park restrictions. Boat/RV storage is subject to availability and community terms.
